Does Passion Affect Achieving My Goals?

*Passion can enhance
or interfere with*

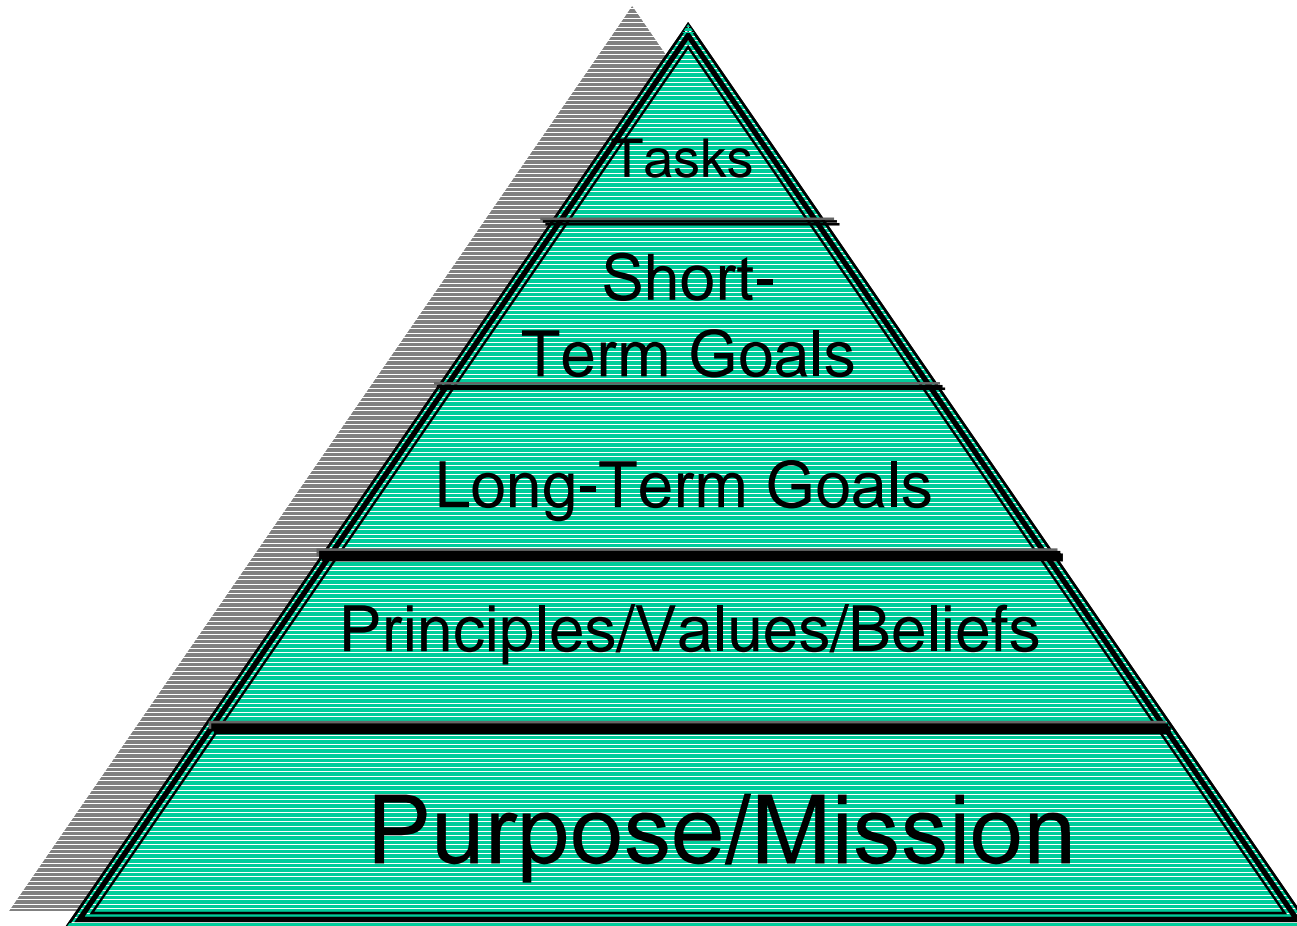

GOAL ACHIEVEMENT

Creating An Energetic & Productive Environment

- Have a vision
- Empower the vision of other people
- Inspire people
- Engage other people's passion

A System Based on Mission

Summary

Passion can make productivity, quality of work, and satisfaction go up.

It happens when our needs are aligned with our work.

It can help us or harm us.

We need to focus on our long term goals.
